Passion statement

To give children a **Second Chance** by creating and sustaining programs devoted to the enhancement the well-being, self-worth, self-esteem, and character of children by providing opportunities to reach their potential through leadership, skill building, and development of core values for success in life as productive citizens.

Nevil's passion in life is to help give children a second chance. For the school dropout, there is a second chance. For the juvenile delinquent, there is a second chance. For the child pregnant with a child, there is a second chance. For the athlete with the busted knee and his dream has died, there IS a second chance. What do you DO when it appears that your morning has turned into night, what do you do when your parents have abandoned you, what do you when life has given you a black eye, and you are afraid to enter the day? YOU DON'T GIVE UP, because help is on the way...The Nevil Shed Second Chance Children's Charity.

Nevil is a motivational speaker with enormous talent to eradicate negative thoughts in youth and replace it with hope, determination, and success. Nevil instills the mind of winner in those who hear him...I know, I have sat and listened to him speak to children and I have been blessed in the process.

There are a number of [sponsorship opportunities](#) for you to join to ensure that the Nevil Shed Second Chance Children's Charity has a successful launch and life. Please read below for our sponsorship opportunities!
